

The Federal Communications Commission

Dear The Federal Communications Commission,

I use my pre-paid wireless phone less than 4 minutes a month! How much are you going to tax me?

I use my wireless phone for safety, security and convenience. I don't want to lose these benefits so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely,
